

HEAD OF APOLLO

Greek, Hellenistic period, 3rd-2nd century BC

Marble

H.: 17,5 cm.

PROVENANCE:

Former European collection from the 17th or 18th century based on the restoration techniques.

Former French private collection of Gustave Clement-Simon (1833-1909), at his Chateau De Bach, Naves, Correze.

Passed on to Georges Couturon upon the sale of the castle and his entire collection in 1938.

Passed down within the same family thereafter.
